**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am privileged to live in an area served not only by the large ISPs but also local providers. This gives me greater choice allows me to support a small local business which great fiber service at a competitive price. I have telephone and fiber internet. Previously I had DSL. I have not had a price increase from my local ISP over the past 6 years. Please allow me to continue to support my local small business ISP.
